### **Coming from North (Hohenwarthe / upstream)**

You drive through the beautiful “Herrenkrugpark“ along the river “Elbe“ to the “Jerichower” street. There you turn right and cross the river. After the bridges you keep to the right and drive through the bridges until you pass the “Lukasklause“ (Guericke-centre) and the “Petrieförder“ (anchoring point of the “Weißen Flotte”). Here you drive up the pedestrian bridge to the “Jakob” street, which you will pass. Pass the car park of the hotel on the right hand side and continue to the entrance. You can park your bike at the bicycle stand in front of our door while you check in.
